

Hebron News Update

Saturday 7th December 24

On Sunday morning Jonny will be preaching in our Advent series and we'll be sharing in the Lord's Supper together.

Sunday School, Bible Class and creche will meet in their usual slots during the second part of the morning service. The children will be preparing for the Nativity Play which takes place on the 22nd. Don't worry if your children will not be there on the 22nd, there are activities they can join in with this week.

In the evening at 6.30pm, we will meet back upstairs when Kevin concludes our Zechariah study.

Remember that you can join us earlier in the day as we have our Sunday Morning Prayer time at 10.30am, through in the side hall, with tea and coffee being served from 10.

All mid-week groups run in their normal schedules this week for the last session before the Christmas break – apart from Monday Club who will continue until the 16th. Home Groups will meet again this week for the next study in Ephesians.

The Love Aberdeen project aims to deliver a gospel of John to every household in the city. We have a large supply of them in Hebron and would encourage everyone to take a few to deliver. You can check which streets and homes are still waiting online using the loveaberndeen.prayerwalk.app

The Gospels are available to pick up from the church on Sunday, though you may have to add the stickers to the backs of them!

We hope you are enjoying following along with the Sunday School and The Biggest Story in our Online Advent Calendar. You can find it on our website under Christmas 2024, on the church app under What's On or go straight to the link here: www.hebronaberdeen.org.uk/christmas

After Christmas we will be running the Hope Explored course, on three Thursdays from 16th January. Please

be thinking and praying about who you could invite to come along to the course where they can find out more about the Hope we will talk and sing about at our Christmas events.

Somebody Cares are running a Reverse Advent Calendar to collect food essentials for those in need in our city. If you would like to contribute there are specific items they are still a bit short of at the moment: tins like ham, corned beef, chicken in sauce (they're not in need of fish tins like tuna at the moment!) and packets of biscuits. There are other items on their list which you can view here if you would like to add some variety. We have a collection box in the foyer where you can leave items until Sunday 15th.

In preparation for our Carol Service we will be collecting mince pies and apple pies to serve afterwards. There are post-it-note tickets in the foyer on Sunday which you can take to help us collect what we need.

If anyone would like to send a Christmas Card to the church, rather than to lots of individuals, you can pop your card in the Hope Explored post box and we'll add it to the string in the big windows where everyone can read them.

Every Blessing,
