

Hebron News Update

16th January 2025

Jonny will be preaching on Sunday morning, continuing our series in Matthew's Gospel.

On Sunday evening at 6.30pm, we'll share communion together and Willie will look at the second study in the Apostles' Creed - this week looking at the section on, "The Father, his Son, the Holy Spirit."

The evening service series will tie in with our new Home Group studies which continue this week. Study guides ("The Apostles' Creed") will be available to collect from your group leader during the week.

Remember that you can join us earlier on Sunday as we have our Morning Prayer time at 10.30am, through in the side hall, with tea and coffee being served from 10.

Continue to pray for the Hope Explored course running on Thursday evenings in the church, on 23rd and 30th January. It's not too late to join in if you would like to – just get in touch with Jonny or Joanna!

Most will have heard of the passing of Douglas Thain who was a member of Hebron for many years until he moved in around 2016. His funeral service will be held in Hebron on Wednesday 22nd January at 10.30am, with the interment at Dyce Cemetery and then refreshments at the Atholl Hotel at 12noon. All are warmly invited to join the family on Wednesday.

All parents and grandparents who are interested in coming along to the **Faith In Kids Parenting Seminar on Wednesday 5th February** are encouraged to get their tickets booked as soon as possible! The "Raising Confident Kids in a Confusing World" event will be held in Hebron at 7.45 to 9.30pm on the 5th and is described as an evening of Biblical truth and practical wisdom, presented with a side order of real-life stories and a generous sprinkling of humour. It is perfect for parents at every stage of family life, from birth through to the teenage years, as well as for grandparents, leaders and anyone else who wants to be part of the wonderful challenge of raising children to lead flourishing lives for Christ.

Guests will leave with

- Tools to help them talk to children about the issues that matter most to them and shape their decision-making and their behaviour.
- Greater clarity on how to tackle some cultural hot topics with children and young people.
- A renewed appreciation that a child's heart is the control room for all of their decisions and a fresh desire to influence their heart for Christ.
