

Hebron News Update

31st January 25

Jonny will be preaching on Sunday morning, continuing our series in Matthew's Gospel and in the evening we have our monthly communion service at 6.30pm.

Remember that you can join us earlier on Sunday as we have our Morning Prayer time at 10.30am, through in the side hall, with tea and coffee being served from 10.15am. Coffee is also served after the service and will be back in the conference room for the next wee while.

Sunday Lunches for Young Adults and Student will be served this week – do feel free to stay behind after the service on Sunday to have lunch together. Lunches will run each week of the term until 23rd March, apart from next Sunday, 9th February, when none of our regular lunch team are available. If someone else would like to get involved in cooking for 30-40 people on a Sunday, this is a good opportunity – please just speak to Sally to find out more!

Home Groups take a break this week - it would normally be our church prayer time as it's the beginning of the month, but this week is the Faith In Kids Parenting Seminar on Wednesday at 7.45pm in the church. All mid-week activities should be running as normal this week - next week will have some changes due to the schools' long weekend. Do pray for the teens and leaders who are due to be heading off to the CYC Senior Camp weekend on the 7th.

**The Love Aberdeen prayer and delivery session which was scheduled for this Saturday afternoon in Hebron will be postponed, as many will be attending the Thanksgiving Service for Steve Rankin at Deeside Christian Fellowship on Saturday at 12.30pm.

Our trial run of holding creche in the big hall went well last weekend and we plan to continue using that space for a bit longer to see how it goes. One request for parents is that you use the same door out of the conference room as before, and access the hall from the back corridor. This is to avoid the hazard of the sliding door being opened, and will be less disturbing for the Bible Class meeting in the atrium!

The **Church Annual General Meeting** is planned for Wednesday 19th March 2025. All members are encouraged to attend. Any ministry and activity leaders who would like to include an update in the annual reports should aim to get something sent to Sally by the 16th of March.

Accommodation available: Lovely 2 bed flat available for rent. It is located centrally, 2 minutes from the station, has private car parking and the rent is £350 per person per month plus bills. It is freshly decorated and in a safe, clean block on the ground floor.

It would ideally suit 2 single students (at Aberdeen or RGU), a couple, or 2 young professionals.

If you require further information please reply to this church email and we can put you in touch with the owners. Every Blessing,
